## Strictly Come Dancing (2014)

Balbriggan Golf Club has a very active and healthy social side and this was evidenced quite strongly when we held a Strictly Come Dancing fundraiser. This demanded a lot of time and commitment, which was willingly given and a wonderful night was held in the Bracken Court Hotel. Monies raised provided the fountain in front of the 9th green and also signage throughout the course.

**The winners of the competition were Deirdre Foran and Pat Levins.**

## Murder Mystery at BGC in 2016

Murder Mystery nights have also been a feature of the social calendar. Marie White has proved to be an adept hand at the 'whodunit' and, again, those who participated really got in to the spirit of the event.

## MasterChef at BGC in 2017

Another excellent social event was MasterChef. Three ladies and three men battled it out and those who attended were treated to some wonderful culinary delights, proving yet again that the talent in BGC is not confined to the golf course!

*The MasterChef winners on the night were the Ladies' team.*

## Table Quiz at BGC 2018

There was a brilliant turnout for the Table Quiz organised by the Social Committee in May 2018. The Teams were all very keen to bring their knowledge of politics, general knowledge and music to the fore!
