Council Decisions August 10th 2026

Council agreed to permit Society bookings on two weekends per month from April to September inclusive – tee time 12.00 to 13.30. Where there is a society outing on a Saturday there will not normally be one on the Sunday of that weekend and vice versa.

The access point for emergency vehicles to access to the course is between the water tank in the Car Park and the 9th green exit. In light of recent on-course emergencies this access must remain clear at all times and a signpost to that effect has been placed appropriately.

Council agreed to launch a Christmas special Split the Pot.
