Discussion	Tony Healy noted from the report on yearly winners that the low handicap ( 5 and below ) were winning very little PC responded by saying that the gui gave the option of moving the percentage from 95 up or down. This committee decided to leave it but next year committee could change it. Bobby roche asked in the gross prize was included in the data. PC responded no. There was a long discussion around comp prizes and the amount of categories due to the low win rate for low handicap

	<p>golfers. It was suggested that we move to 4 categories and for all standard comps, give prizes per category rather than the overall.</p> <p>Eamon O'Brien proposed that we play for category prizes for all standard comps. All majors will be left the same.</p> <p>Committee will decide if we will have 3 or 4 categories.</p> <p>The motion was passed after vote was taken.</p>
