## *FIND THE JOKER!*

Do you want to enter the draw *in advance*? It's easy!

- a) Pick an available number.
- b) Put your money in the envelope e.g. €5 for 3 future draws or €10 for 6 future draws.
- c) Write your name & contact number on the envelope.
- d) If your selected number is drawn in any of weeks during the period you will then be allocated a new number for the remainder of the period. This number will be the lowest available number.

Remember you can also have 3 guesses for €5

- a) Write your name & guess on each of 3 envelopes.
- b) Put the three envelopes in one envelope with €5.

On the night of the draw....

If your envelope is drawn and it doesn't contain the Joker you will win €50.

If it contains a KING you will win €75.

If it contains an ACE you will win €100.

If it contains the Joker you will win €1,000.
