

Terms of Competition Entry – October 2020 Addendum (Saturday Overflow and Front 9 after 18 Holes)

This is in effect from Friday the 9th October until Sunday 25th October

- This is a trial for October 2020 – 18 Hole Saturday overflow into Friday and 9 Hole competition after 18 hole competition
- **Overflow Saturday - This is in effect for Friday & Saturday**
 - 9th & 10th October
 - 16th & 17th October
 - 23rd & 24th October

Overflow Saturday competition on a Friday will give those not able to play on the Saturday (or with a preference/desire) to play on a Friday a chance to enter and compete in the Saturday Hamper / Stableford competition.

Front 9 Competition after last 18 Hole tee time – this is in effect for Saturday & Sunday

- 17th & 18th October
- 24rd & 25th October

Front 9 Competition will be qualifying if qualifying golf is still in effect

- Timesheets will be setup on BRS and you will book your golf as normal
- Saturday Overflow

Please ensure you sign in to the Pro Shop as per normal timesheet/competition rules.

You must only enter the competition for one day either **the Friday (Saturday Overflow) or the Saturday but not both.** ** Any player that does not adhere to this will have their name removed from both timesheets and disqualified from the Competition of the day.

A player must not enter their name onto the competition timesheet or waiting list for both a Friday (Saturday Overflow) and a Saturday. Casual Golf outside of Competition time is permitted.

If the Saturday competition does not have a minimum number of entries then the competition for the Saturday will not be in play – In this case the Friday competition will then be treated as a separate competition and prize allocation will be in line with the numbers that played on that day (to be determined by the Competition Committee).

- 9 Hole Competition after 18 Hole Competition
A player cannot play both the 18 hole Competition of the day and the 9 Hole Competition of the day. Remember Saturday overflow and Saturday is ONE 18 hole competition. Members therefore cannot play both 18 hole competition on Friday and 9 hole competition on Saturday. Prize allocation for 9 hole competition will be in line with the numbers that played on that day (to be determined by the Competition Committee).

- Scores from the Friday (Saturday Overflow) competition will not be published to HowDidIDo/ClubV1 Members Hub until the Saturday competition is closed and the overall winners are published.
- We have allocated some 40+ time slots on the Friday Timesheets across different times for the three Fridays (We already have some pre bookings for casual golf and society golf already in play for the three Fridays).
- Should a member wish to play in **competition** outside the pre booked time slots on the Friday (Saturday Overflow) you must book your line with **members** only via BRS (no member guests allowed on the line) and then please inform the competition committee of your intention to play - Please email (for men - mensgolf@balbriggangolfclub.com , for ladies – bgcladiesscores@gmail.com) with your details clearly stating the names of the players and your tee time on the timesheet.
- Any player found to be entered on both Friday (Saturday Overflow) and Saturday competition timesheet/waiting list will have their name removed from both timesheets/waiting lists. Please **be aware** of your bookings. Any player found to have entered both competitions will be disqualified from both competitions
- Any player found to be entered on both the 18 Hole & 9 Hole competition timesheet/waiting list will have their name removed from both timesheets/waiting lists. Please **be aware** of your bookings. Any player found to have entered both competitions will be disqualified from both competitions
